Dear Brothers and Sisters in Christ,

Praised be Jesus Christ!

At the conclusion of the Gospel of Matthew, we hear Jesus commission the apostles, telling them, go and make disciples of all nations. (Matthew 28:19) While the message of the Gospel is the same as when Jesus proclaimed it among us, the tools of evangelization have changed over time. Today, Catholic radio is one of those tools that can assist our efforts to invite others to live as disciples of Christ.

Because of that, I am pleased to offer my prayers and support to a new radio station, WSFI, 88.5 FM. This radio station, based in Antioch, Illinois, will reach a half-million people in southern Wisconsin and northern Illinois, where Catholic radio programming is very limited at the present.

WSFI 88.5 is committed to bringing the best in Catholic programming to the area. I prayerfully ask your parish to lend your support to this endeavor by becoming a regular listener. I pray that the station will succeed in its mission to evangelize and inspire its listeners to lead more vibrant lives of faith.

With assurance of prayers, I am,

Sincerely yours in Christ,

Most Reverend Jerome E. ListECKI  
Archbishop of Milwaukee
